GFWC COMMUNITY SERVICE PROJECTS

GFWC Community Service Projects are projects that members initiate and participate in to serve their communities—they do not include projects that relate to GFWC partners. These projects are specifically related to the Public Issues Community Service Program and may involve other members of the community, other organizations, or the individual club or members.

Direct any questions regarding projects that do not involve GFWC partners to the Public Issues Community Service Program Chairman or GFWC Programs Department at Programs@GFWC.org.

"ARE YOU OK?" SENIOR REASSURANCE PROGRAM

In conjunction with the local fire department, the **Ridgefield Woman's Club** (CT) sponsored "Are You OK?" a senior reassurance program available to citizens over 60. Club members contact a list of 20-30 subscribers 365 days a year. If there is no response the volunteer contacts the subscriber's emergency contact and/or dispatches fire or police help.

RECOGNITION OF SCHOOL CROSSING GUARDS

In appreciation of their concern for the safety of its local school children, the **North Arlington Woman's Club** (NJ) recognized 16 local volunteer School Crossing Guards for enduring extreme winter cold. Club members honored the volunteers at a monthly club meeting. They were given printed certificates of appreciation and Dunkin' Donuts gift cards.

"PROUDLY OUR COLORS FLY" PROJECT

Pembroke Woman's Club (NH) arranges for 50 American flags to be flown on utility poles along the major road ways through town. The club sees to the maintenance and replacement of the flags and coordinates the "Proudly Our Colors Fly" project with the town administrator, utility company, fire department, and highway department.

POLICE TRADING CARDS SPONSORSHIP

In a unique project to support its local police, **Marlton Woman's Club** (NJ) sponsored a policeman for the "Township Police Trading Cards." 1000 trading cards for each of the town's 80 policemen are printed with the name, police department, phone number and picture of each policeman. The cards are distributed in the local elementary school and at community events. The first child to collect all 80 cards wins a bike donated by the local bike shop.

GFWC PARTNERSHIPS

GFWC partners are the organizations listed with whom GFWC has established a formal relationship and mutual understanding. Our partners offer unique and customized services: materials, speakers, kits, and/or additional information specifically designed for GFWC clubs. They are aware of GFWC clubs' specific needs, our organizational structure, and have a signed Memorandum of Understanding with GFWC. GFWC partners will assist in monitoring the donations generated by GFWC members.

To ensure that donations to GFWC partner organizations at the individual, club, district, or state level are reflected toward GFWC's collective impact, make sure to write GFWC in the memo line on your donation check.

Direct any questions regarding donations to GFWC partners to Public Issues Community Service Program Chairman or GFWC Programs Department at **Programs@GFWC.org**.

Sew Much Comfort provides adaptive clothing to support the unique needs of our wounded service personnel members, including all branches of the military and national guard. Unfortunately, standard clothing does not properly fit with fixators, prosthetics, and casts. For many, a hospital gown is the only option. SMC adapts store-bought or sewn clothing using our custom-designed patterns. The clothing is designed to appear as normal civilian clothing, and is constructed for ease of dressing, fostering self-care. Most of all, it is a symbol of gratitude for their sacrifice. Sew Much Comfort is the only organization providing adaptive clothing at no cost to our wounded service members.

Together, Sew Much Comfort and GFWC can make a difference in the following ways:

- Collect and donate adaptable clothing. Sew Much Comfort accepts:
 - Woven or cotton knit boxer shorts in sizes L, XL, and XXL
 - Heavy weight t-shirts in solid colors or college/professional team prints in sizes M, L, and XL
- Contact your local sports teams for t-shirt, shorts, and/or pants donations.
- Hold fundraisers to purchase needed garments and supplies.
- Volunteer to be a seamstress.
- Have a group sew day. Appoint one person as the quality checker to ensure that all sewing meets Sew Much Comfort standards.

Request an information packet from Sew Much Comfort. Include GFWC in the subject line, if making the request via email. Note your name and mailing address.

United Service Organizations (USO)

Millions of times each year at hundreds of locations around the world, the USO lifts the spirits of America's troops and their families. A nonprofit, congressionally chartered, private organization, the USO relies on the generosity of individuals, organizations, and corporations to support its activities. The USO is not part of the U.S. government, but is recognized by the Department of Defense, Congress, and the President of the United States, who serves as Honorary Chairman of the USO. The following are some of the programs and ways you can support the USO:

- **United Through Reading's Military Program:** Deployed parents are videotaped reading a book to their child. The DVD and the book are then sent to the child back home so they can watch mom or dad read them a bedtime story. This service is available at many USO centers in airports, community locations, military medical facilities, and overseas bases. All recording equipment, books, and packing and shipping materials are supplied by the USO. In 2013, 30,000 books were recorded by deployed parents to their children. You can support this program with monetary donations or by hosting a book drive. Just \$10 gives a child a bedtime story from a deployed parent. When hosting a book drive, you must stick to the USO pre-approved children's book list and all donated books must be new. Clubs supporting this program are able to include note cards or bookmarks with personal messages to the families and the name of the club that made this possible.
- **Operation Phone Home:** The USO distributes phone cards to individual service members and offers a Private Telephone Network providing dedicated phone and Internet service at our centers in Afghanistan and Kuwait. In 2011, the USO shipped phone cards to more than 250 locations around the globe. In Southwest Asia alone, more than 28 million minutes were logged in free talk time for our service men and women in 2011. To date the USO has provided nearly 3.2 million free pre-paid international calling cards to troops stationed overseas. You can support this program by making a monetary donation. For \$25, 70 soldiers can call home using the satellite service.
- **USO2GO:** USO2GO delivers the USO's most popular services to troops in remote and restricted areas. Everything from beanbag chairs, snacks, coffee, and toiletries to phone cards, DVDs, Xbox® 360, PlayStation® 3, and Nintendo's Wii™. Musical instruments, art supplies, footballs, Frisbees, and horseshoes are also available. USO2GO bundles, weighing nearly one ton each, have been delivered to more than 700 remote forward operating bases in Afghanistan, Iraq, the Philippines, Egypt, Djibouti, and Kuwait, with 160 bundles delivered in 2013. You can sponsor USO2GO kits by raising money to support the kits. Kits range from \$5,000 to \$25,000 depending on what is sent and the size of the forward operating base.
- **Sesame Street/USO Experience:** All of your favorite Sesame Street characters deliver live performances to military children ages two to five. Last year's tour featured a new character named Katie, a military child dealing with the uncertainty of making friends after a family move. Launched in April, this tour will deliver 147 shows on 59 bases in the Pacific and Europe. Children also receive The Talk, Listen, Connect (TLC) DVD series to help them cope with the affects of deployment, multiple deployments, combat-related injuries, and, unfortunately, the loss of a loved one. You can support this program with monetary donations.
- **USO Warrior and Family Centers:** On June 27, 2011, the USO broke ground on the Warrior and Family Center at Fort Belvoir, Va, the first of two stateside centers to support healing heroes and their families. Later this year, we will break ground on the second at the Walter Reed National Military Medical Center, Bethesda, Md. These centers offer a comprehensive array of specialized services and programs designed to meet the needs of recovering troops—and their families—in a supportive and home-like setting. The approximately 20,000 square-foot buildings will include movie theaters, classrooms, sports cafés, healing gardens, and more, all created expressly for wounded warriors and their families and caregivers. The USO has undertaken a \$100 million capital

fundraising campaign to raise \$25 million to build two new centers, \$50 million to support ongoing programs, and \$25 million to endow the centers. One hundred percent of all cash and cash-equivalent contributions will go to the initiative that supports wounded warriors. No funds will go to administration or overhead.

- **USO Centers:** There are more than 160 center locations around the world, including in the United States, Afghanistan, Iraq, Kuwait, Qatar, UAE, Germany, Italy, Japan, Guam, and Korea. In 2011, military members and their families visited centers nearly 8 million times. GFWC members can volunteer at these centers greeting and helping service members daily. Clubs can help collect needed items like salty snacks and water for the centers to provide to troops. Clubs can host service projects or events to support the many programs at USO Centers (programs vary with each center).

Contact the USO for more information on how you can participate in support of our troops and their families.

We are continually working to develop partnerships with organizations whose missions and scope of work are germane to GFWC. Look for updates from the Public Issues Community Service Program Chairman in *News & Notes*, *GFWC Clubwoman Magazine*, and online at www.GFWC.org.
